Request for Qualifications for Veterinary Services for Lewis County Animal Shelter

Chehalis, Washington – Lewis County Public Health & Social Services (LCPHSS) is seeking a qualified veterinarian to provide clinical consultation and services for the Lewis County Animal Shelter (LCAS) located at 560 Centralia Alpha Road in Chehalis, Washington.

The request for qualifications (RFQ) is intended for applicants who are or employ a veterinarian licensed in the State of Washington and are:

- able to regularly travel in person to the shelter site and
- available for animal care related calls.

Additionally, Lewis County is interested in reviewing proposals that include a guarantee of 25 spay surgeries per month. While this is not a requirement, it may strengthen the proposal of an applicant.

Initial review of submitted applications will be conducted on December 15, 2021.

For complete details on how to apply and a description of services to be provided, please visit:
